Tieto invoicing addresses

Please always send **electronic invoices** to all Tieto companies except those located outside EU. If electronic invoicing is not possible, please send **pdf invoices** to our email scanning mailboxes. **Paper format invoices** are the last option to be used.
Remember that invoices should always state **the correct legal name** and **mandatory reference information** (Tieto's Reference name or Purchase Order number). Without this information we won't be able to process the invoice for payment.
Most of our companies are available in Peppol Network (search by VAT number or Legal name)- Peppol Directory - Search
For supplier invoice queries please contact supplierquestions@tieto.com
